

Our Customer: Tatung Company

Challenges:

- ▶ Integration with JD Edwards
- ▶ Switch to 96 bit tags from 64 bits
- ▶ Aggressive timeline

Our Solution:

- ✓ End-to-End solution
- ✓ Quick integration with JD Edwards
- ✓ Handle partial and full pallets
- ✓ Human readable and RFID labels
- ✓ Integration with HP's system

Benefits:

- \$ Robust solution that met timeline
- \$ Expanded use to multiple production lines
- \$ Expanded use to two manufacturing sites
- \$ Exceeded HP's requirement of Wal*Mart mandate

Chris Chu, Director - IT:

“Shipcom really understood the JD Edwards integration and was able to meet all challenges and the rigorous timeline.”
